Temple Schedule:

Temples in Utah are again open for proxy ordinances. Patrons need to schedule in advance on-line through churchofjesuschrist.org/temples. If patrons need assistance, they should contact Ward leaders or Temple and Family History Consultants. Patrons are encouraged to bring their own temple clothing, although Temple clothing is available. Maximum group size for proxy ordinances is limited, for example, for baptisms it is typically a total of 16 patrons, including those accompanying youth. Baptismal clothing is provided. We are so blessed to again have Temples open around us; some may have appointments available same day (Jordan River), while others may require more advance planning, but the websites, like the Temples, are patron friendly.

Stake Temple Recommend Interviews:

A member of the Stake Presidency is available each Sunday from 12:30 to 2:00 PM (except on Fast Sundays, Stake Conference and General Conference weekends) at the Stake Center offices. Those who are unable to meet during these times can contact Scott Hagen (#801.824.0640) who

will help set up an interview with a member of the Stake Presidency. Please enter through the doors at the west end of the building.

Welfare Square Volunteer Dates:

Attached are the remaining Welfare Square dates for 2021. Please note the welfare assignments for your ward and help coordinate the volunteers needed to cover your ward's assigned shift. If your ward is unable to fulfill the assignment, please reach out to another ward for help in finding other volunteers within the Stake. When volunteer assignments are not filled, or are partially filled, the Cannery or Deseret Manufacturing must either slow production or cancel the shift. Your help is greatly appreciated.

Please note the four canceled shifts for October 25th.

Long pants and closed toe shoes are required. Masks are also required if you have not been vaccinated. Thanks for all your service!
